<p>Caroline Ellen was married to William Henry Marshall. (See Carrie Marshall's baptism record.) Carrie and Ellen were definitely children of this marriage. From the date of the marriage I believe that Lionel and Cecil were also children of this marriage.</p> <p>William Henry died in 1899. Caroline Ellen then re-married to John Elford Gulley in about 1901.</p> <p>The address given in the 1891 census was 1, Holt Street Buildings, Wrexham. From historical accounts of Wrexham at the turn of the 19th century, this was one in a terrace of properties lying somewhere between the current indoor market and the roundabout by the swimming baths. It seems to have been a fairly 'seedy' area of the town with open sewers. The properties were demolished in the late 1930s as part of Wrexham's slum clearance programme.</p>
